## Summer 2026 Program

Dear Parents,

We are excited about our six-week summer program. The dates are Monday, July 6<sup>th</sup> – Friday, August 14<sup>th</sup>. Our summer program will provide exciting new opportunities to practice essential skills and improve academic achievement. Studies have proven that summer programs improve academic success and prevent learning loss over summer vacation.

The morning portion of the program will include math, reading, composition, and spelling. Our afternoon activities for Kindergarten - 8<sup>th</sup> grades (1:00-2:45pm) include Volleyball, Basketball, Soccer, Track, STEAM, Culinary Crafts, and Arts and Crafts. See below for specific weeks.

**New students and students going into Kindergarten are required to attend a minimum of three consecutive weeks to be prepared for the fall.**

If you are planning to sign up your child for summer school, we ask that you let us know as soon as possible.

Sincerely,  
Mrs. Carrion  
Director
